## Autumn 2016 Newsletter

### Welcome to the Autumn Season

Welcome to the Autumn Season for 2016. We would like to welcome all our players that have re-registered for another season and also welcome our new players which have joined our club.

This season, we have a total of 17 teams represented; 10 teams on Wednesday evenings, 5 teams Saturday mornings and two teams on Monday Evening Ladies Competition

The season is more than half way through and we are on the home run to finals.

It's been great walking around watching the teams and the sportsmanship being displayed by our players.

We would like to say a big thank you to the coaches who have volunteered their time and knowledge to coach each team. This is not an easy task but

one that is very rewarding when kids are enjoying their netball.

It is a timely reminder to all parents that everyone that is part of the club, whether they be committee, coaches and team managers, are all volunteers. Please be mindful of this before you speak to anyone part of the club with any issues. We are all here to ensure your kids love their netball.

### Your Committee

Your Committee for 2015/2016 are as follows:

Tracey Watts (President)

Vacant (Vice President)

Rochelle Baker  
(Secretary)

Lauren Houix (Assistant Secretary)

Heidi O'Sullivan  
(Treasurer)

Denise Scalzo (Assistant Treasurer)

Diane Wright (Uniform Co-ordinator)

Michelle Streat (Coach)

Co-Ordinator)

General Committee:

Cindy Bidwell

Joanne Browne

Michelle Matson

We would like to say a big thank you to the following long standing committee members who have recently resigned from the committee. They have volunteered and contributed enormously over a number of years to help the club be as successful as it is today:

Tamara Hayward

Sally King

The club's committee needs more volunteers to come on board for the seasons ahead. Your small contribution of time would be greatly appreciated. In order for the club to plan for the future we need new members to join our committee. Our club cannot survive without our volunteers so please speak to your coach or a committee member if you would like to join.

## Team App

fixtures, links to club website and social media.

It is really important that all our members download the app on your smart phone, ipad/tablet or computer to keep up to date with what's happening around the club. All notifications

the club sends out, automatically go to your device instantly.

If you need assistance registering with team app, please see your coach or one of our committee members.

## Casey Netball Association U11 Club Tournament

Casey Netball Association is holding a U11 Club Tournament on Sunday 15th July 2016.

The tournament is an opportunity for kids to have fun and participate in a tournament environment.

If your child wishes to participate in the tournament (must be U11) please provide names to your coach as soon as

possible because registrations are filling fast.

We wish those players that represent our club all the best for the day and we hope you enjoy tournament experience.

## **Friday Night Training**

Goldeagles Netball Club gives all our members the opportunity to train on a fortnightly basis on Friday nights at the Casey Stadium and Cranbourne Park Primary School. Hiring of these courts however does come at a cost to the club and

ultimately to you as members. The cost to hire these courts has recently increased to \$48.00 per hour per court.

Whilst attendance to training is generally attended well, it is a timely reminder that if these courts are not used, the

club is still charged for these courts.

Regular training is vital to all players and all teams. It gives your child the opportunity to learn important netball skills and team work.

So please ensure your child is given every opportunity to attend training.
