All notifications the club sends out, automatically go to your device instantly. For those subscribed, please ensure your notifications are turned on.

If you need assistance registering with team app, please see your coach or one of our committee members.

Casey Netball Association 5 Year Strategic Plan

Recently two members of our committee attended the Casey NA 5 year Strategic Plan. There was an amazing turn out of all the Casey clubs.

The purpose of the meeting was to inform the clubs of Casey's plans for application of a VNL licence in the next 5 years.

This is very exciting news. If they obtain it that means there will be more pathways to Elite levels for our players

Key Objectives and priorities were defined in this meeting and hopefully in the next few months there will be a new Vision and Mission statement released by Casey Netball.

Please keep an eye out on our facebook page and Team App for any news.

Friday Night Training

Goldeagles Netball Club gives all our members the opportunity to train weekly at Lyndhurst Secondary College. Hiring of these courts however does come at a cost to the club and ultimately to you as members. The cost to hire these courts is one of the major costs to our club.

Whilst attendance to training is generally attended well, it is a timely reminder that if these courts are not used, the club is still charged for these courts.

Regular training is vital to all players and all teams. It gives your child the opportunity to learn

important netball skills and team work.

So please ensure your child is given every opportunity to attend training.

Casey Netball Come and Try Day and Bunnings Sausage Sizzle

Casey Netball will be holding a come and try netball day on Monday 2nd July from 4.30pm to 5.30pm. Goldeagles NC will be setting up a stall to provide new members of the netball community with information about our club. If you can make it please pop down and support your club.

Goldeagles Netball Club will again be holding a Bunnings Sausage Sizzle in the coming months. It was such a great success and fund raiser for the club that we have decided to do another. Please we need volunteers so when we have locked in a date come down and help out. The club greatly appreciates anytime given.

Presentation Night Autumn 2018

Please keep the night free for Friday 29th June 2018
