News for Coaches

We are in the final stages of finalising teams for the Summer Season 2010/11. We will be having a coaches meeting for all those who will be coaching next season. It will be held at 7.30pm in the crèche at the stadium on Tuesday 14th September. We thank those who continue to make a huge commitment to the young people at our club through their coaching efforts.

Please speak to a committee member if you are interested in coaching in the future or email us your details via info@goldeagles.asn.au

2010/2011 Goldeagles Committee

The AGM was held last Sunday. Thank you to all those who attended. A new committee was established – for more details visit our web site.

The president Andrea Dwyer, together with the new committee would like to acknowledge the work of the previous committee, particularly Kaye Stirling who has resigned this year after many years of hard work and participation, holding the role of secretary and general committee member, selector, coach and Wednesday coordinator. Her contribution to Goldeagles has been invaluable and we look forward to Kaye's continued support of the club.

Registration, Training and Team Selection Day

A huge thank you to Leanne and the coaches who ran the registration day in August. This was a huge success which saw more than 100 players come and register on the day.

Finals and Presentation Day

Goldeagles will have several teams in the finals on Wednesday and Saturday. Try and get along and support these teams as much as possible. Presentation Day, held at the rear of the Life Be In It centre will include a sausage sizzle, games and team presentations. Let us know at info@goldeagles.asn.au if you and your family can come along.
