Spring 2014 Competition

This half year has quickly sprung upon us and it's time to prepare for next season. Registration tables will be set up at the Cranbourne Stadium outside the canteen as per dates above. You can obtain an updated registration form from our website and hand it to us on one of the following registration days, or complete it at the table. We will require a \$50 deposit per player per team. You can either pay directly into the club's account or hand it to us at registration. The season commences beginning of the school term for all teams. Please see 'Dates to remember' for start of the season for each competition day.

Balance of fees

To enable your daughter to continue playing next season we will require any outstanding fees paid up to date by the registration cut off date on 24.5.14. If you have any queries or concerns about your existing fees please contact Denise Scalzo, Treasurer at scalzy@bigpond.net.au

Second Hand Uniforms

If parents wish to purchase or sell a second-hand dress they can pass on their details to Di Wright 0418 134 493, who will put people in touch with suitable sellers. \$25 is the generally agreed price. If parents want a higher price they can organise a sale themselves.
